## TOPIC DESCRIPTION

---

This keynote brings ancient philosophies to life in today's boardrooms and is fully customizable to fit any audience, environment, or time slot. Infused with music, rhythm, and exclusive clips from Doug's documentary *Beats As One*, this experience takes attendees on a transformative journey. Through personal reflection, small group discussions, and performance-enhancing exercises, your team will reach new levels of connection and collaboration. Participants will rediscover shared values, explore their personal purpose, and align it with their organization's mission.

Doug offers the solo keynote, the drumming experience, and the full *Beats As One* show.
